Supreme Court of Estonia**

Honorable President Kõve,

I am writing this letter in order to share with You the publication of the valuable presentations and discussions during the Solemn Ceremony and International Conference held in Prishtina last year, marking the 14<sup>th</sup> anniversary of the establishment of our Constitutional Court, among our friends, partners and esteemed peer Courts from around the Globe.

We have included in this publication all the contributions presented during the International Conference. They certainly reflect an undeniable scientific value. The publication is primarily published in English, but it also reflects the French and local languages. It not only serves as a reminder of the respect shown for our Constitutional Court through Your presence in Prishtina last year, but also serves as a testament of the pivotal role that the Constitutional and Supreme Courts play in upholding and advancing the core values that sustain our democratic societies. I am truly convinced that the contributions epitomized in this publication will also serve as an important source of knowledge and inspiration for young legal practitioners and scholars worldwide, towards fully adhering and further advancing the principles deriving from the tradition of constitutional justice in the European continent and beyond.

Honorable President Kõve,

As I will soon complete my nine year mandate as a Judge of the Constitutional Court of the Republic of Kosovo in December this year, a function that will always remain the greatest honor and privilege of my life, I would also like to use this opportunity to thank you – for Your continuous support for the Constitutional Court of the Republic of Kosovo and for Your partnership and friendship. Your support for our Court, including in its efforts to join the professional associations of constitutional justice, such as the Conference of European Constitutional Courts, has tremendous meaning and value for our Court and for our young Republic. You will always be a friend and I have the deepest conviction that the partnership between our Courts will be continuously strengthened and everlasting.

Thank you and please accept the assurances of our highest considerations for Yourself and the institution You represent.

Cordially yours,

*Gresa Caka-Nimani*  
Gresa Caka-Nimani  
President
