Excellency,

We have the honour to invite you to the United Nations Public Service Forum, which will take place in Tbilisi, Georgia, from 23 to 25 June 2026.

This event will be held under the theme “Transforming Public Institutions: Advancing Innovation, Accountability, Participation and Inclusion”. It is co-organized by the United Nations Department of Economic and Social Affairs (UN DESA) and the Ministry of Justice of Georgia.

Public institutions face increasingly complex challenges, from rapid technological change to growing citizen expectations and persistent inequalities. Addressing these challenges requires innovative approaches to public service delivery and transformation in how public institutions run and operate. The 2026 Forum will focus on four key elements - innovation, accountability, participation, and inclusion – that shape how public institutions respond to complexity and change and can support public institutions in strengthening trust and delivering more equitable public services.

Over three days, participants will explore innovative approaches to governance through workshops, plenary sessions, and a Ministerial Roundtable, with ministers, senior government officials, mayors, and representatives from civil society, academia, the private sector, and international and regional organizations expected to attend. The Forum will also host the 2026 UN Public Service Awards Ceremony, which will recognize outstanding public service initiatives from across the globe that have led to more effective and responsive public administration.

To confirm your participation, we kindly ask you to register via our registration portal unpsf2026.org with the following unique login code by **15 May 2026**.
