

Please complete the questionnaire and return it to the given address below.

Prof. Dr. Clemens Lorei  
Hessische Hochschule für öffentliches Management und Sicherheit  
Campus Gießen  
Talstraße 3  
35394 Gießen  
Deutschland

**If you are not the right contact person/organisation to answer this, please tell me:**

- My organisation is not the right one to answer the questionnaire for Estonia  
(Please tell me the organisation in your country, that can answer the questionnaire)

**If your country does not want to take part in this research project, please tell me so:**

- Estonia does not want to take part in the research project "Education and training in the field of de-escalation"

**Please tell me why your country does not want to take part in this research project:**

- Estonia does not want to support this research project
- Estonia does not have information about Education and training in the field of de-escalation
- Information about Education and training in the field of de-escalation in Estonia are confidential and cannot be given to others
- We need more time to answer the questionnaire (*Until* \_\_\_\_\_)
- To support this research project, we need further information (*Please list the information you need*)
- Other reasons (*Please list other reasons*)

Thank you for your effort!

Prof. Dr. Clemens Lorei
