No 9-7/69-1

Dear Minister,

Thank you very much for your letter, which I have well received and noted.

We would like to inform you that in Estonia, all decisions concerning the Eurovision Song Contest are made independently by the Estonian National Public Broadcasting. The same will apply to participation in the 2026 edition.

Please accept all my best wishes for the year ahead!

Yours sincerely,

Heidy Purga  
Minister of Culture
