

Ülle Madise
Chancellor of Justice of Estonia

25 April 2025

Congratulations on re-accreditation as an A-status NHRI

Dear Ülle,

I am delighted to congratulate you and the entire team at the Chancellor of Justice of Estonia for the re-accreditation as an A-status National Human Rights Institution at the latest session in March 2025.

We would like to express our appreciation for the dedication and commitment of your team which has been instrumental in achieving this result. The reaccreditation is a testament to the institution's work over the last few years, and we are confident it will further strengthen human rights promotion and protection in Estonia. We also appreciate your NHRI's continued active participation and contributions to ENNHRI's work and activities.

I would like to re-affirm ENNHRI's support with the implementation of the SCA recommendations, including providing further clarification on the recommendations themselves, in light of the Paris Principles and the SCA General Observations. I am aware that colleagues at your institution are already in contact with Klara Paro (Klara.Paro@ennhri.org), ENNHRI's Human Rights Officer coordinating the work on accreditation, who can provide further information on possible ENNHRI support in follow up to your accreditation.

Beyond, we are looking forward to continuing our fruitful collaboration and to supporting the Chancellor of Justice of Estonia in its crucial mandate.

Yours sincerely,

Debbie Kohner
