Our ref 31.01.2025 no 17.1-3/25/1806-2

**Ro-Ro passenger ship STAR I (IMO
9364722, Call Sign ESCJ) Bridge Navigation
Watch Alarm System (BNWAS) exempted
from full compliance with the standards
adopted by the Organization**

To Whom It May Concern

The keel laying date of Ro-Ro passenger ship STAR I (IMO 9364722, Call Sign ESCJ) is 30.05.2006 and BNWAS system was installed on board before 01.07.2011.

Estonian Transport Administration hereby confirms that, under the authority of SOLAS 2009 Amendment to Ch. V Reg. 19.2.2.4, the BNWAS system of Ro-Ro passenger ship STAR I is exempted from full compliance with SOLAS 2010 Amendment to Ch. V Reg. 18.

If the BNWAS system on Ro-Ro passenger ship STAR I will be replaced, this permission ceases to be valid and new system has to comply fully with SOLAS 2010 Amendment to Ch. V Reg. 18.

Yours sincerely,

(Digitally signed)
