Dear Ms Hiir,

The Commission took note of the changes in the timetable, indicated in the attached document.

Best regards

Monika Marek

Subject: Changes in DARRA timetable

Dear Ms Marek,

I would like to inform you about little changes in DARRA (HOME/2015/ISFP/AG/LETX/8754) timetable. According to the confirmed timetable we should have had one response training session in January and one response training session in April. Due to the unexpectedly extended foreign exchange of one trainer, we had to delay the training session in January. Furthermore, January-April are very busy months for Finland experts also, so it was difficult to find proper time for April training session also, that's the reason why we have to postpone it.

Because of that we have to held both of the training sessions in May when one trainer is back from his foreign exchange and Finland experts could come to Estonia.

Therefore, in May will take place 2 response trainings (1 that should have been in January, 1 that should have been in April). All the other training sessions will take place according to the confirmed timetable.

Should we make formal letter about the change or this announcement in enough and we could already send the mid-term report also?

Thank you for your kind understanding in the matter.

Yours sincerely,

Dorel Hiir
