Dear Minister,

It is a pleasure to invite you to the World Economic Forum Global Collaboration and Growth Meeting, projected to take place 22-23 April 2026 in Jeddah, Saudi Arabia.

Held under the patronage of His Royal Highness Prince Mohammed bin Salman bin Abdulaziz Al-Saud, Crown Prince and Prime Minister of Saudi Arabia, the meeting will convene over 1,000 leaders from government, business, international organizations, academia and civil society. Framed around the theme "Building Common Ground and Reviving Growth", the programme will focus on unlocking pathways to renewed cooperation, resilient growth and responsible industry transformation in a rapidly evolving geoeconomic and technological landscape.

With growth underperforming in many regions and deep structural transformations underway, dialogue can yield fresh ideas to navigate today's complex economic conditions. Your leadership and insights will be essential to distilling approaches to enhance productivity, rebuild fiscal buffers and mobilize investment.

The World Economic Forum will work closely with your office to build a personalized agenda that has the greatest value for you.

Yours sincerely,

Børge Brende
President and CEO
