

REPUBLIC OF ESTONIA  
MINISTRY OF ECONOMIC AFFAIRS  
AND COMMUNICATIONS

03.02.2022 No 18-3/2022/847-1

### **The proof of EU Member State designation**

I hereby confirm that „AI & Robotics Estonia“ (AIRE) coordinated by Tallinn University of Technology is the single candidate selected and designated by the Estonian state to the European Digital Innovation Hubs call (DIGITAL-2021-EDIH-01) and the Estonian state provides the state co-funding from national funds from 2022-2025.

A handwritten signature in black ink, appearing to read 'Andres Sutt'.

Andres Sutt  
Minister of Entrepreneurship and Information Technology
