

Questioner for parachute clubs

The Transport Administration wants to collect information from organisations involved in parachute jumping within the framework of supervision. The aim is to get a more comprehensive picture of the parachuting activities taking place in Estonia and thereby ensure continued flight safety. To collect data, we have prepared the following form, some of which require you to enter free-form text to fill in, but filling it out should not take more than 15-20 minutes of your time.

* Required

General information

1. Please enter the name of the club. *

2. Number of employees *

The value must be a number

3. Number members *

The value must be a number

4. What type of jumps organised/performed in club

- ☐ Solo
- ☐ Tandem
- ☐ Static
- ☐ Formation
- ☐ Wingsuit

5. Do you offer training courses? *

- ☐ Yes
- ☐ No

Parachuting activities

Please enter the data for the club-organized parachute jumps from the aircraft on an average for the year.

6. Total number of jumps *

The value must be a number

7. Number of tandem jumps

The value must be a number

8. Number of jumps in which a person who is not a member of the club participated

The value must be a number

Parachuting activities

Please answer the following questions regarding the use of aircraft.

9. What aircraft are used for parachute jumps? If possible, add registration number. *

10. How many flights per year on average? *

The value must be a number

11. Number of pilots who perform flights for parachute jumps *

12. At which aerodromes/operating sites do you conduct parachute jumps from aircraft? If outside Estonia, specify the country.

13. Have you performed demo jumps and at which flight events?

14. Do you have procedures for an aircraft captain? *

☐ Yes

☐ No

15. If you have such procedures, how many hours per year does it take to review and update them?

The value must be a number

16. What sources you have to improve these procedures? 

17. How do you keep up to date with regulatory changes regarding parachute jumps from aircraft?

Management system

In the following, we would like to know how you organize the safety management of your parachuting operations

18. Is the club a member of an parachute association? *

☐ Yes

☐ No

19. If you answered yes beforehand, specify which one(s).

20. Do you participate in workshops or organize workshops to improve the safety of skydiving? *

☐ Yes

☐ No

21. If you answered yes beforehand, which workshops have you recently participated in or when was the last time you organised yourself?

22. Does the club use a safety report system? *

☐ Yes

☐ No

23. If the club uses a report system and keeps track of safety cases, please provide the average number of reports received per year

The value must be a number

24. Have there been any safety incidents in relation to aircraft? If so, how these reports get processed?

Feedback and suggestions

25. If you have any comments that were not included in the questionnaire or if there are any other suggestions, please enter them here.
