Submission of the ISF programme 2021-2027

Dear Director-General Monique Pariat,

Herewith we submit the Internal Security Fund programme 2021-2027 that has been amended according to the observations made by the Commission in July. We assure that all actions planned to be financed from the ISF are in line with national and EU legislation, strategies as well as development plans. We hope the European Commission finds the programme exhaustive. Should you have any further questions, please do not hesitate to contact us.

The Estonian Ministry of the Interior works very closely with the Estonian Ministry of Finance who is responsible for Cohesion Policy. We have aligned the horizontal enabling conditions and continue the collaboration. The renewed long version of horizontal enabling conditions is attached to this letter.

Yours Sincerely,

Tarmo Miilits
Secretary General
