Ministry of Economic Affairs and Communications, Republic of Estonia  
Minister of Economy and Industry  
His Excellency Mr. Erkki Keldo

As we prepare for the 9th edition of the Istanbul Economy Summit, it is our distinct honor to extend to Your Excellency a formal invitation to attend the Summit, which will take place at the historic Çırağan Palace in Istanbul on December 11–12, 2025.

Held under the overarching theme “New Balances & Global Cooperation,” this year’s Summit will bring together high-level representatives from governments, international organizations, business communities, and academic institutions to explore strategies for balanced economic development, sustainable growth, and international cooperation.

Your Excellency's leadership in advancing Estonia’s economic development, particularly through initiatives such as the €160 million investment incentive program aimed at attracting large-scale investments and fostering high-paying jobs, has been commendable. Your commitment to fostering innovation and strengthening international partnerships aligns closely with the Summit's objectives.

We would be deeply honored to welcome Your Excellency to Istanbul as one of our distinguished guests, and we are confident that your presence will significantly contribute to the success of the Summit.

We sincerely hope that Your Excellency will honor us with your presence.

Respectfully,

Abdullah Değer
