Support letter to the project SUSTAIN-LIFE

Project Title: SUSTAIN-LIFE: European University of Life Sciences for Sustainability

I, undersigned Kristjan Tõnisson, in my capacity as member of the management board of State Forest Management Centre, commit to set up all necessary provisions to participate in the project SUSTAIN-LIFE: European University of Life Sciences for Sustainability as associated partner, should the proposal be funded. This proposal will be submitted within the call Erasmus+ European Universities 2024.

On behalf of State Forest Management Centre, I also confirm that we will participate and contribute to the research, innovation and training activities as planned in this project. In particular, we will be involved in part or all of the following activities:

1. National, regional and/or international events, including conferences, roundtables, panel discussions, world cafés, lectures and workshops where my organization can contribute or learn;
2. Participate in the annual partner events of SUSTAIN-LIFE, focused on associated partner engagement;
3. Participate in the organisation of field trips or offer internships for learners at all levels;
4. Contribute to student work related to challenges relevant to my organisation;
5. Help promoting the work of SUSTAIN-LIFE, the European University of Life Sciences for Sustainability;
6. Provide (keynote) speakers for different events or lectures.

I hereby declare that I am entitled to commit into this process the entity I represent.

Yours sincerely,
