

Invitation – Nordic-Baltic Expert-level Seminar on the Transfer of Sentenced Persons, Stockholm 25–26 April 2024

Sweden and Denmark hereby invite national experts from all Nordic and Baltic countries to a seminar concerning the transfer of sentenced persons to be held in Stockholm the 26th of April 2024. The night before the seminar all participants are welcome to attend a complimentary dinner.

The aim of the seminar is to take a practical approach to strengthening the process of transferring sentenced persons by improving the cooperation between national experts, encourage networking and find ways to simplify the transfer. By bringing national experts together we hope to find solutions to mutual problems concerning matters of transfer of sentenced persons, as well as sharing tools and knowledge to rationalise the process of transferring such persons abroad. The bulk of the seminar will be devoted to workshops.

A preliminary agenda with the overarching themes of the workshops is enclosed with this invitation. Further information on the dinner on the 25th of April will be provided to participants.

Practical

The seminar is intended for national experts whose daily work concern matters of transfer of sentenced persons on a case-to-case basis. We plan for three attending experts per country.

The organisers are not able to contribute to any costs related to transport and accommodation. However, dinner on the 25th of April and lunch during the seminar will be provided. Attending the seminar will not be associated with any additional costs.

Please make sure to bring a valid photo ID.

For the convenience of sensitive participants, we kindly ask you to refrain from using perfume and other heavily fragranced products.
