

## **Invitation to Danish Infantry Fighting Vehicle Competition 2025**

06 – 09 MAY 2025 in Oksbøl, Denmark.

The Armored Infantry Training Branch are happy to host the seventh annual Danish Infantry Fighting Vehicle Competition (DIFVC). We hereby invite your nation to participate.

In the competition, designed specifically for CV9035 users, we hope to see crews from Royal Netherlands Army and Estonian Defense Forces. Estonia Defense Forces and Netherlands Army are invited to participate with two crews each and may bring an additional three pax as observers/delegation management; totaling nine pax.

During DIFVC, crews are tested in various competitions and drills. We have designed the eight skill-stations to test fundamental skills and knowledge of a CV9035 crew. They include:

1. CV90 maneuver course
2. Live firing, Small arms
3. Vehicle recognition
4. Written test
5. Practical test, Various crew skills
6. Simulation exercise, Steel Beasts
7. Battle drills, with Saab BT-46 laser simulation
8. Live firing, IFV main gun and COAX.

We invite all international crews to compete on the CV9035DNK and use the Danish rifle (Colt Canada C8 variation). Prior to competition, international crews will receive training on the Danish equipment.

Preliminary schedule:
