Enhance Your Hospital Teams Experience at  
CONVEHO Amsterdam 2024 with Early Registration Benefits!

As we approach the , on November 22nd, at Leonardo Royal Hotel, we are keen to highlight the unique opportunities available during this initial registration phase, especially designed for hospitals and their teams under our theme &quot;More than a Hospital.&quot;

Special Group Packages Available Now: We are currently offering special group registration packages, ideal for hospitals planning to attend as a team. These packages are designed not only to facilitate a collective learning experience but also to optimize the logistical aspects of participation. By registering early, you can ensure that your team takes full advantage of these tailored offerings, enhancing both the value and the impact of the event for your institution.

Hospital Teams from Across Europe Already Registered: We are pleased to announce that hospital teams from multiple European countries have already registered to join us at CONVEHO 2024. This diverse international presence enriches our network and provides invaluable opportunities for cross-border exchange and collaboration.

Focused on Hospital-Specific Content: At CONVEHO 2024, our agenda, inspired by our theme &quot;More than a Hospital,&quot; is meticulously crafted with hospitals in mind. All sessions are led by valued experts in hospital management, patient care innovations, and healthcare technology, and now include new speakers from hospitals ranked in top international listings. These sessions are specifically designed to address the challenges and opportunities within the hospital sector, ensuring your participation will directly benefit your hospitals operational and clinical outcomes.

Why Register Early? Early registration not only secures your spot but also provides your team with advanced access to pre-event materials, allowing you to better prepare for the discussions and networking opportunities that await. Moreover, early registrants will receive updates and insights on sessions that are most relevant to hospital leaders and administrators.

Select Your Preferred Participation Package: To explore and select the best participation package for your hospital team, please visit our . Here, you can find detailed information about each option and choose the one that best fits your teams needs.

Join Us: We look forward to welcoming your hospitals team to Amsterdam, where we will strive together towards advancing hospital care across Europe, embodying our theme &quot;More than a Hospital.&quot;
