To whom it may concern,

Hello. I am Consul, Daehyun LEE of the Korean Embassy.

I read the press release regarding the battery issues on the Rescue Board webpage.

<https://www.rescue.ee/et/uudised/akuseadmetega-tuleb-uember-kaeia-aeaermise-ettevaatlikkusega-2510>

I would like to know about **accident statistics and prevention policies related to electric vehicles in Estonia**, in addition to accidents involving batteries of electric bicycles and cell phones.

The Embassy of the Republic of Korea avails itself of this opportunity to renew to the Embassy of Estonian in Korea the assurances of its highest consideration.

Thank you.

Best regards,

Daehyun LEE
