Modifications and extensions of validity

For production release the following change were made :

Dwg. 523730 change to rev. C

Dwg. 523721 change to rev. A

Dwg. 523731 change to rev. A

Dwg. 523732 change to rev. A

Dwg. 523752 change to rev. A

Dwg. 523755 change to rev. A

Dwg. 523763 change to rev. A

These modifications do not worsen the structure's protection features

Ferrara, 2018/03/20

This certificate is also valid for the following machine type :

ICARUS type 279

SAMSON/AGRIMAX type 279

SAMSON/AGRIMAX type 289

ZEUS/AGRISTAR type 285

DEDALUS/AGRIFARMER/LM6.28 type 287

LM6.28 type 187

AGRI PLUS type 186

AGRI PLUS type 286

FARMLIFT 628 type 187

FARMLIFT 628 type 287

Ferrara, 2018/06/15

This certificate is also valid for the following machine type :

TH6.28 Type 287

Ferrara, 2019/12/11

This certificate is also valid for the following machine type :

ICARUS type 300 AGRIPUS type 296 SAMSON/AGRIMAX type 288

DEDALUS/AGRIFARMER type 297

Ferrara, 2022/02/08

This certificate is also valid for the following machine type :

ICARUS type 310

Ferrara, 2022/10/13
