Teema: Introduction of BLS International Services Limited for Identity Management Services

Järeltegevuse lipp: Järeltegevus
Olekulipp: Lipuga märgitud

To,

Mr. Mart Helme
Minister of the Interior
Ministry of the Interior
Tallinn, Estonia

Hon'ble Minister,

Greetings from BLS International Services Ltd!

We would like to take this opportunity to give you a brief about our organization. BLS International Services Limited (part of BLS Group) is an acknowledged leader in the provision of Government to Citizen (G-to-C) services. The Company has made its name in **Forbes Asia** 'Best under a Billion' list of top 200 publicly listed companies in the Asia-Pacific region. It has also entered the select club of '**Fortune India Next 500**' companies and is the only outsourcing company to be listed on **National Stock Exchange (NSE)** and **Bombay Stock Exchange (BSE)**.

The Company's extensive experience of working on critical identity management projects for Government clients around the world include -

- **Estonia Digital E Residency Card Program.**
- **Royal Canadian Mounted Police** - Enrollment and submission of civil fingerprints electronically for Criminal Record verification to the Real Time Identification (RTID) system.
- **Biometric Enrolment of Nigerians in the Diaspora** – Government of Nigeria
- **Registration and Identification of Afghan Nationals in GCC Countries.**

Hon'ble Minister, we wishes to get an opportunity to serve Ministry of the Interior in Estonia for providing services related to National ID project.

In little over a decade the Company has grown rapidly to be among top 3 players in the outsourcing industry and has the honour to serve **36 client Governments** in **62 countries** through **2325** centres worldwide, in the domain of outsourced visa, passport and consular services, identity management and front end citizen services, verification & attestation of documents and e-visa services.

BLS has evolved the entire system of ID Card Processing into a seamless journey which includes information dissemination, automated application and appointment systems help lines, collection and remittance of fees and biometric enrolment. Our strength lies in our ability to customize the process, in a short frame of time, as per the requirement of the Client Government.

We shall be grateful to get an opportunity to officially introduce ourselves and brief you about our services.

We look forward to receive a favourable response from your office.

With best regards,

Charu Khosla
