Our ref 20.07.2026 nr 1.8-3/26/12494-2

**Delivery of Estonian Electronic Navigational  
Chart (ENC) data**

Dear Mr. Dominic,

The Transport Administration of Estonia hereby authorizes the delivery of unencrypted ENC's (S-57 data) from the PRIMAR API to the National Geospatial-Intelligence Agency (NGA), consistent with license terms separately negotiated between NGA and the Ministry of Defence of the Republic of Estonia.

Yours sincerely

Edgar Peganov  
Director of Maritime Division
