Invitation

Training of judges for the international Youth Fire Brigade competitions in 2026 of 24 - 26th October 2025 in Linz (Austria)

Ladies and gentlemen,

again to ensure a regular and youth-friendly review at the 25. International Youth Fire Brigades competitions in Šumperk (Czech Republic) 2026 will the reviewers offered a reviewer training as in previous years.

This reviewer training the reviewers of the National Fire Brigade associations given the opportunity, on the basis of practical exercises to gain experience but also to acquire knowledge about the handling of the Competition Rules.

Given the encouraging high power density are the winning groups in their results extremely tight at the top, so to view a regular review of decisive importance. In addition, all participating groups have the right to be objective and equally assessed or evaluated.

It is therefore necessary that the evaluators to the 25th International Youth Fire Brigades competitions according Šumperk (Czech Republic) 2026 are sent to participate in this training in the fall 2025.

It intends to send only those Contributor which are also involved in the activities with the young firefighters in the National Fire Brigade associations.
