Answer to request

Thank you for your inquiry and for your interest in Estonia's approach to implementing the Data Governance Act.

We would be pleased to support your research efforts. However, we kindly request that the interview be conducted in written format. To facilitate this process, we ask that you submit your questions to info@aki.ee. This will enable us to identify the most suitable expert within our institution who can provide informed and timely responses to your queries.

Hope this solution is acceptable.

Respectfully
