## European Structural Investment (ESI) Funds Events – FORUM Institut für Management

Dear Mr Sergejev,

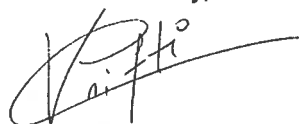

FORUM Institut, a trusted leader with more than 43 years of experience in the field of educational training, has decided to introduce specialised seminars on EU-related matters. You may find enclosed two brochures of our upcoming online events.

Since sustainability is very important to us, we are continuously reducing the number of letters we send by post. Should you wish to stay in touch, please provide your email address and consent. As a token of our appreciation, we are pleased to offer you a €200 discount on any seminar of your choice in 2025. To take advantage of this special offer, please contact me directly at [v.prifti@forum-institut.de](mailto:v.prifti@forum-institut.de).

We would also like to take advantage of this opportunity and inform you about our upcoming conference on EU Fund Management on 20 – 21 May in Brussels. Join us to interact with colleagues and experts from EU institutions on current ESI Funds matters.

For more information or to explore more about our upcoming seminars, reach out to me directly at [v.prifti@forum-institut.de](mailto:v.prifti@forum-institut.de).

Yours sincerely,

Dr. Viola Prifti  
Conference Manager
