Invitation to EWLIVE 2026

Dear Commodore Värk,

On behalf of Tangent Link, it is my great pleasure to invite you to attend **EWLive 2026**, being held at **Ülenurme Airport, Tartu, Estonia**, from **15–17 September 2026**.

Organised by Tangent Link in cooperation with the Estonian Ministry of Defence and the Estonian Defence Forces, EWLIVE 2026 is the seventh edition of the internationally recognised EWLIVE series.

EWLive brings together senior military leaders, government officials, defence industry representatives, and technical experts to witness live capability demonstrations delivered by international companies, explore the latest developments in Electronic Warfare and Electromagnetic Spectrum Operations (EMSO), and engage directly with industry leaders developing these capabilities.

EWLive 2026 will feature **34 international companies delivering live capability demonstrations**, complemented by **4 additional companies exhibiting their latest technologies**. Together, they represent a broad spectrum of Electromagnetic Warfare: ESM/CEMA, SIGINT/ELINT, COMINT, EW Training, ISR and CUAS (detection). Further information on the participating companies is available on the EWLIVE 2026 demo companies page <https://tangentlink-events.com/ew-live2026/pages/sponsors-exhibitors>

In addition to the live demonstrations and exhibition, **senior military delegates and defence leaders from allied and partner nations will be in attendance**, including the senior officers listed below:

- Brigadier General Walter Icaro, Assistant Deputy Chief of Staff for C4ISTAR Systems (AJ6), Armed Forces of the **Philippines**
- Brigadier General Wong Hong Kai, **Singapore** Armed Forces
- Wing Commander Paul Wyatt, Air & Space Warfare Centre – Electromagnetic Spectrum Operations, Royal Air Force, **United Kingdom**
- Colonel Aleksandr Markov, Chief of Electronic Warfare Department, Air Force Command, Armed Forces of **Ukraine**
- Colonel Denys Kryvoruchenko, Deputy Chief, General Directorate of Electronic and Cyber Warfare, Armed Forces of **Ukraine**
- Colonel Yamada Tohru, Chief of Cyber & Electromagnetic Spectrum Domain Section, C4 & Intelligence Department, Ground Staff Office, Ministry of Defense, **Japan**
- Colonel Jacek Czeranowski, Head of Branch, General Staff of the **Polish Armed Forces**
- Colonel Pietro Carrieri, Head of Section – Electromagnetic Operations, Joint Intelligence, Security & Cyber Command, Ministry of Defence, **Italy**
- Colonel Ioannis Ziamos, Hellenic Air Force, **Greece**

Event Programme

Tuesday, 15 September 2026

- **08:00 - 17:00** – Live Demonstrations and Exhibition
- **14:15 - 15:00** – Interview with Prof Masala: “If Russia wins” – one year on
- **19:00 - 21:00** – Drinks Reception at the AHHA Science Centre

Wednesday, 16 September 2026

- **08:00 - 17:00** – Live Demonstrations and Exhibition
- **19:00 - 22:30** – Official Event Dinner at the Estonian National Museum (ERM)

Thursday, 17 September 2026

- **08:00 - 13:00** – Live Demonstrations and Exhibition

Your participation would be a great honour and would provide an excellent opportunity to engage with fellow senior military leaders and industry experts while gaining first-hand insight into the latest Electronic Warfare capabilities and technologies.

Should you be able to attend EWLive 2026, or if you require any further information, please contact Annely Longhurst, Operations Lead, EWLive at alonghurst@tangentlink.com. She will be pleased to assist you with your registration and any queries regarding the event.

Yours sincerely,

John Longhurst
CEO
