Dear Minister Keldo,

Please allow me to warmly congratulate you on your appointment as Minister of Economy and Industry. I wish you every success for the tasks ahead of you.

In view of the many challenges we are facing in Europe and in our countries, it is important to find a common understanding of the pressing issues in the field of labour market policy and to continue our dialogue.

I look forward to exchanging views with you, particularly on the priorities of the next European Commission, and to working with you to make the imminent transformation of the labour market socially just.

Yours sincerely,
