## Personal Invitation to the Privacy Symposium Conference 2027

Excellence, Dear Ms. Karmen Joller, Minister of Social Affairs,

On behalf of the Privacy and Data Governance Symposium and the Italian Data Protection Authority, **we would be honored to welcome you at the next edition of the Privacy Symposium conference in Venice, on April 26<sup>th</sup> to 30<sup>th</sup>, 2027**, and to give you the floor on April 29<sup>th</sup>, on the programme on Health and Medical Data Compliance, to share your vision on the strategic significance of health data governance at both the national and international level.

Designed as a two-day programme, it will, among others, bring together health ministers and distinguished authorities for a discussion of the highest calibre. In the past, we have had the honour of welcoming the Italian Ministry of Health, DG Santé, DG Research and the World Health Organization.

The Privacy Symposium aims at promoting **international dialogue, cooperation, and knowledge sharing on data governance, regulatory compliance, and innovative technologies**. Like in previous editions, the conference will bring together top-level authorities, industry leaders, and international experts, including ministers, heads of international and regional organizations, researchers, and senior practitioners from all continents.

The last edition gave the floor to over 400 speakers, including major contributions from Sarah B. Rogers, U.S. Under Secretary of State for Public Diplomacy; Michael McGrath, EU Commissioner for Democracy, Justice, the Rule of Law and Consumer Protection; the Council of Europe, the U.S. Department of Justice, the European Commission, the IMF, data protection authorities from across five continents and major technology and industry leaders.

We would be pleased to plan an online meeting with you or your assistant, preferably before the end of June, to share more details and to adapt the programme to your priorities and availabilities. Meanwhile, do not hesitate to contact us at [programme@privacysymposium.org](mailto:programme@privacysymposium.org).

We thank you in advance for your consideration and look forward to welcoming you to Venice next year.

Yours sincerely,

Dr Sébastien Ziegler  
Chair of the Organising Committee
