Estonia and KSA cooperation

Your Excellency,
I hope this message finds you in the best of health and spirits.

I would like to express my sincere appreciation for the continued cooperation and positive relations between the Republic of Estonia and the Kingdom of Saudi Arabia.

Our countries share common interests in advancing economic development, fostering innovation, and strengthening diplomatic ties, and it is my firm belief that there is significant potential to further enhance our relationship. As agreed in Dubai, it would be good to schedule a video meeting at earliest convenience.

This virtual discussion would provide an excellent opportunity for us to explore new avenues for Saudi - Estonia Business Council collaboration, exchange ideas, and strengthen the partnership between our two nations.

Would any of the following timings suit for you:

14.03 11:00
18.03 12:00
19.03 13:00

I look forward to the opportunity to speak with you soon.

With best regards,

Erkki Keldo
Minister of Economy and Industry
