

THE EMBASSY OF THE UNITED REPUBLIC OF TANZANIA

Ref. No: NA 119/760/01

The Embassy of the United Republic of Tanzania in Sweden presents its compliments to the Ministry of Foreign Affairs of the Republic of Estonia and has the honour to submit a request from the Tanzanian Ministry of Information, Communication and Information Technology (MICIT) to make a benchmarking visit in Estonia from 12th to 13th December, 2024.

The main objective of the visit is to learn from the Estonian experience on digital policies, legislative, institutional frameworks and service model as well as its operationalization strategy. MICIT is currently implementing the Digital Tanzania Project (DTP), an initiative launched in 2021 with focus on three key areas, namely: sustainable digital infrastructure development; digital skills development; and job creation and digital innovation.

During the benchmarking visit, the delegation wishes to visit the Ministry of Economic Affairs and Communications, Ministry of Social Affairs and any other relevant institutions proposed by the host.

The Embassy wishes to submit this request for your consideration. Attached herewith please find a concept note on the benchmarking visit and a list of the participants for necessary information.

The Embassy of the United Republic of Tanzania in Sweden avails itself of this opportunity to renew to the Ministry of Foreign Affairs of the Republic of Estonia the assurances of its highest consideration
