Subject: 6th ILO survey of national strategies for youth employment - SDG Indicator 8.b.1

Dear Minister Riisalo,

For the sixth consecutive year, the International Labour Office (ILO) is kindly requesting your assistance to monitor the progress of the Sustainable Development Goal (SDG) [Indicator 8.b.1 on national strategies for youth employment](#).

For this purpose, our team has developed a survey that seeks to capture information on existing national strategies for youth employment in the ILO's 187 member states.

We would highly appreciate the collaboration of the Government of Estonia to complete this survey.

We would be grateful if your team could complete the attached questionnaire and kindly submit it to the ILO at yes@ilo.org by 20 December 2024.

The attached questionnaire provides background information and instructions to complete it. For any questions or assistance, your team can contact us at yes@ilo.org.

I thank you in advance for your collaboration.

Your Sincerely,

Claire Harasty
Director
