National Coordinators of ECDC Coordinating Competent Bodies

Dear colleagues,

Following our email, we would like to invite you to an information
meeting where we will present our training programme in genomic
epidemiology and public health bioinformatics GenEpi-BioTrain on Friday,
18th of October 2024, 13:00-14:30 CEST.

We are now approaching the third year of the GenEpi-BioTrain programme
which will focus on tuberculosis (wave 5) and antimicrobial resistant
pathogens (wave 6).

Please find the connection details below. To add the meeting to your
calendar, please click on the outlook item (.ics) attached.
ECDC representatives from the Microbiology team and the consortium
GenEpi-BioTrain will join the meeting to present the training programme
and address questions during this meeting.
Please find attached a description of the GenEpi-BioTrains objectives,
structure and target groups. A detailed agenda will be shared closer to
the meeting.

In order for us to be able to provide you with useful feedback at the
meeting, we would like to encourage you to send any specific questions
that you may have to , preferably no later than Wednesday, 16th October
2024 EOB.

Best regards,
the ECDC Microbiology & GenEpi-BioTrain teams
