**Subject:** Re: Media request for Lexology Pro: EDPB joint statement on AI-generated imagery

Dear Rosie,

Thank you for your request, and please accept my apologies for the delayed response.

The Estonian Data Protection Inspectorate is represented through the European Data Protection Board, which has signed the joint statement.

Have you already published anything on this topic? I would be glad if you could share the link, if you have.

Best regards,

**Maire Iro**
