

9th May, 2025

Excellency,

India remains a bright spot with economic growth projected at 6.5 percent in 2025 despite global challenges, advanced economies' slowdown and trade disruptions. India is set to become the third largest economy by 2027-28, driven by strong domestic factors and robust capital expenditure. Several transformational reforms undertaken by the Government of India, under the decisive leadership of our Hon'ble Prime Minister, Shri Narendra Modi, have made India a trusted global partner.

To sustain this momentum, the importance of global dialogue, cooperation, and collective action has never been more essential. In line with this, the Ministry of Commerce and Industry, Government of India, in collaboration with Government of Andhra Pradesh and Confederation of Indian Industry (CII), is organizing 30th edition of **The Partnership Summit 2025** from **14th to 15th November, 2025 at Vishakhapatnam, Andhra Pradesh** – one of the most vibrant states in the country in terms of trade and investment.

Since 1995, CII, in partnership with the Government of India, has hosted this global conference annually. It has become a premier platform for discussions on India's economy and its external economic engagement. I have had the honor of serving as the Chair for previous editions of the convention and will again do so for the 30th edition.

The CII Partnership Summit 2025 aims to enhance global collaborations for growth and trade. This year's summit will focus on Trade, Industrialization, Sustainability, Climate Action, Technology, Innovation, Growth, Geo-economics, and Inclusion. It will offer a platform to engage with other nations in shaping global development.

As Chairman of the Summit, I extend a formal invitation for you to address the Summit. An early confirmation with some indication of the preferred date, between 14th – 15th November, 2025, will help us draw your agenda in advance.

I sincerely hope that you would consider attending The Partnership Summit 2025 and look forward to receiving you in Vishakhapatnam.

With warm regards,

Sincerely,

Piyush Goyal

H.E. Erkki Keldo
Minister of Economy and Industry
