Dear Ms Alliksaar,

I wish to thank you for the contribution of 1,508 USD made by Estonia to the Fund for the Elimination of Doping in Sport in 2024.

Your country's investment in the Fund supports the implementation of its Operational Strategy 2020-2025, ensuring that "No State Party is Left Behind". Contributions also ensure the effectiveness of the decisions made by the Conference of Parties (COP), in particular with respect to institutional, structural and operational capacities to protect sport values, ethics and integrity.

I would like to reiterate UNESCO's appreciation for your government's continued commitment to the fight against doping in sport, notably as member of the Approval Committee 2024-2025 of the Fund for the Elimination of Doping in Sport.

Yours sincerely,

Gustavo Merino  
Director  
Division for Social Policies
