Dear Minister Pakosta,

Thank you for your kind invitation to the Tallinn Digital Summit, scheduled for November 19-20. Your gracious words are greatly appreciated.

Unfortunately, due to prior commitments abroad, I will be unable to attend this year's summit in Estonia.

However, we are confident that this significant digital policy event, focused on "Securing a Digital Tomorrow," will effectively address the challenges and opportunities presented by the evolving technological and geopolitical landscape. This summit provides an ideal platform to align our strategies and pursue common objectives.

Wishing you a successful and impactful summit, and I look forward to future opportunities for collaboration.

Sincerely,
