Brussels, 27 October 2026

Dear Minister Vahtras,

The EU-Ukraine Investment Conference at ReBuild Ukraine in Warsaw has become an annual gathering for companies, member states and IFIs after two successful years, and this time it comes at a pivotal moment for Ukraine's EU accession and economic resilience. We are particularly pleased to collaborate with Estonia on this conference on the road to the Ukraine Recovery Conference in Tallin.

It will feature panels on managing investor risk, dual use technologies and governance and business environment, including privatisation, as well as signatures of new agreements with IFC, EBRD and other partners. There will also be closed-door sessions with companies on municipal financing and on private project financing as well as interactive sectoral workshops. The European Commission will be represented at the ReBuild Ukraine Expo with its own stand and organise a dedicated B2B matchmaking.

It is my pleasure to invite you to join me for the official opening of the EU-Ukraine Investment Conference on 12 November 2026 at 11:45-12:45 on the main stage in Hall 4, Expo XXI, Warsaw.

I look forward to receiving your response and to continue working with you on Ukraine's reconstruction and path to the EU. My team will be happy to provide more details and assist with logistics. The contact person for the organisation of the conference is Elisabeth Szeli (Elisabeth.SZELI@ec.europa.eu).

Yours sincerely,

Marta Kos
