2025-01-23 *Nr. 15-45*
Klaipėda

Dear Ivo,

As I have earlier mentioned in my initial save-the-date letter, the Lithuanian Navy will be observing the 90th anniversary of its establishment on July 25-27, 2025. The anniversary will be closely linked with the annual Sea Festival, making it a truly significant event for both Lithuanian Navy and City of Klaipėda.

It is foreseen that commemoration programme will commence in the evening of July 25 with the parade of crews of participating ships and Lithuanian Navy. July 26 – the main day of commemoration, will offer possibility for us to join the wreath laying ceremony at sea in remembrance of those who lost their life at sea, which will be followed by pass in review of the Lithuanian Navy and allied navies' ships. The day will be concluded by a spectacular navy band performance followed by the official reception. July 27 will be dedicated to the cultural programme for the Heads of the Navies, offering us a chance to discuss naval cooperation matters in pleasant and informal environment and enjoy the highlight of sightseeing and cuisine of Lithuanian seaside.

I sincerely hope that despite your busy agenda, you, along with your spouse and an accompanying staff officer, will find an opportunity to join. Additionally, participation of your ship or navy band will be a remarkable addition to the festivities and will perfectly showcase our long-standing excellent cooperation ties.

To proceed further with associate preparations, I kindly ask you to fill out hereto attached PAF and return it by April 4, 2025.

In conclusion, let me wish you and your navy every success in all your endeavours and I truly look much forward to seeing you in Klaipėda in July!

Sincerely 

Giedrius Premeneckas, RADM (i.h.)
Commander of the Lithuanian Navy
