

CARPATHIAN SEA DEMOCRACY WEEK

882196 Lviv region, Drohobych district, Dovhe village (Dovzhanska Hirska Village Council), 90 Zelena St.

To: Jürgen Ligi,
Minister of Finance

Dear Jürgen Ligi,

We invite you and your institution to participate in the annual international forum “**Carpathian Sea Democratic Week**”, which will take place from **April 28 to May 2, 2025**, in Truskavets, Ukraine.

This event is the Ukrainian counterpart of the Norwegian forum Arendalsuka, which gathers leading politicians, public figures, and business leaders annually to discuss pressing issues of **democracy, security, finance, and sustainable development**.

One of the key topics of this year's forum will be **discussing the challenges and opportunities for attracting investments, reforming the financial sector, and developing entrepreneurship in wartime conditions**.

Why is your participation important?

A strong economy and financial policy are the foundation of Ukraine's stable development. Your expertise in **finance, banking, investment, or economic policy** will help shape effective solutions and foster international collaboration.

This is a unique opportunity to:

- Discuss **financial strategies and economic recovery prospects** with leading experts and government representatives.
- Present your **financial initiatives, research, or projects** on an international level.
- Expand partnerships with **international financial organizations, investors, and banking institutions**.
- Learn about **new financial instruments** contributing to business development and investment attraction.

What to expect?

- **Panel discussions** with leading Ukrainian and European financial and economic experts.
- **A unique networking platform** connecting international funds, investors, and government agencies.
- **Discussions on grant opportunities**, business support instruments, and international financial aid.

Key financial topics of the forum:

- **Adapting the banking and economic system** to modern challenges.

- **Investment climate and attracting international capital** – prospects for business development in Ukraine.
- **The role of international financial institutions** in economic recovery.
- **Public and private mechanisms** for supporting small and medium-sized businesses.
- **Grant opportunities and funding** for entrepreneurship and infrastructure projects.
