

**LETTER OF INTENT ON COOPERATION BETWEEN
SAFETY INVESTIGATION BUREAU, ESTONIA
AND
THE SWEDISH ACCIDENT INVESTIGATION AUTHORITY**

References: EU legislation on investigating maritime, aviation and rail accidents and incidents.

1. Introduction

This Letter of Intent between Safety Investigation Bureau, Estonia and the Swedish Accident Investigation Authority, hereinafter referred to as the Participants, aims at maintaining and further strengthening the close cooperation between the Participants.

It is mutually recognized that cooperation in safety investigations is crucially important bilaterally and in the wider EU and other international context.

2. Intent

The Participants wish to express their shared intent to continue to closely cooperate in conducting safety investigations and in related areas. The Participants intend to maintain regular communication at different levels and wish to emphasize their readiness to assist each other in any feasible way.

3. Way forward

The Participants are to strive for mutual cooperation in all aspects of safety investigations and maintain close and regular contact with each other.

This LoI is not a legally binding commitment between the Participants under international or national law.

This LoI may be revisited to ensure continued relevance with regard to its scope.
