Response to invitation letter to the GIS

Your Excellence Mehmet Fatih KACIR,

Thank You very much for the kind invitation to take part of Eureka Global Innovation Summit (GIS) and the Ministerial Session held in Istanbul on the 13th and 14th of June under the Turkish Presidency. Unfortunately, our Minister Mr Tiit Riisalo will not be able to attend due to prior obligations. Estonia will be represented at the GIS and Ministerial Session by our HLR Dr. Mikk Vahtrus.

With best regards,
