Mr. Lauri Läänemets,

Republic of Estonia

Pikk 61,

Dear Mr. Läänemets,

On behalf of the Ministry of the Interior of the Republic of Latvia, I would like to express my deepest compliments to the Ministry of the Interior of the Republic of Estonia and to you personally.

Let me congratulate you on the Independence Day of Estonia, and wish your nation security, peace and prosperity.

Our countries face similar security challenges today, and I truly appreciate that Latvian and Estonian law enforcement services are united and supportive of each other.

Our bilateral cooperation is highly important nowadays, therefore I would like to confirm Latvia's readiness and willingness to continue its close cooperation with our Estonian partners on any matter of mutual interest.

Once again, I avail myself of this opportunity to renew to the Ministry of the Interior of the Republic of Estonia the assurances of my highest consideration.

Yours sincerely,

Minister

Rihards Kozlovskis
