Dear Sir,

**REQUEST FOR ASSISTANCE ON DATA ON GHANAISANS LIVING IN ESTONIA**

On behalf of the **Association of Ghanaians in Estonia** (AGiE), I wish to apply for data on the number and composition of Ghanaian nationals legally living in Estonia.

**AGiE** is a non-governmental and nonprofit body in Estonia which aims, among other things, to promote and assist members to better adjustment and integration into Estonian Society.

As a result, knowledge of the total count of Ghanaians legally resident in Estonia is of great importance to us because it will help us to know how many people to reach out to. Therefore, could you please provide me with the following:

1. total count of Ghanaian nationals legally resident in Estonia
2. how many are on study permits/visas (minus minors)?
3. how many are here on work permits?
4. how many have completed their studies and are either employed or unemployed?
5. how many are here for the purpose of settling with their spouses?
6. what is the total count of minors?

Thank you in advance for your assistance.

Best regards,

Emmanuel Attu
