The Constitutional Court of Spain will organise a **parallel cultural programme** for those accompanying persons included in the delegation (maximum 4 persons per delegation) who will not be participating in the working sessions on the 29th and 30th.

The programme will consist of a visit, in the morning or afternoon, to emblematic places in the city of Madrid. The programme will not include lunches, which will be at the expense of each accompanying person.

For organisational reasons, it is essential that accompanying persons register at the Congress, without exceeding the maximum number of 4 persons per delegation.
