Hi Lauri,

We have HP worldwide approval for Estonian keyboard localization for HP EliteBooks in specific projects, and we will be offering it to Estonian customers.

To discuss details, we need to have customer names that you want to sell HP products.

Hi Juhani

Got your contact from Markus Mikael Koponen.

Our customer is interested buying HP EliteBook 830, 835, 840 and 845 with Estonian keyboard layouts.

Can HP provide such keyboard layouts for these models?

Thanks in advance.

Best regards,

**ATEA**
