Case Ref: ITB/2020/14397

Sub: Supply of Calibration Service for Pharmaceutical Laboratories Equipment in FDA (Yangon, Mandalay and Nay Pyi Taw), in Myanmar.  
Contract document was enclosed.

This Purchase Order contract (the "Contract") is made between the United Nations Office for Project Services ("UNOPS"), a subsidiary organ of the United Nations, and the Contractor identified herein, for the provision of goods and/or services.

The following documents, listed in the order of priority, are deemed to form and be read and construed as part of the Contract, having superseding effect over any other negotiations and/or agreements, whether oral or in writing, pertaining to the subject of this Contract:

- The Special Conditions of Contract, if included as an attachment to this Contract;
- The UNOPS General Conditions of Contract for the provision of goods and/or services, as applicable, available at: <https://www.unops.org/english/Opportunities/suppliers/how-we-procure/Pages/default.aspx>
- This Contract document;
- Any additional attachments to this Contract.

The Contract shall enter into force upon its signature by the Contractor which shall send a signed copy of the Contract to UNOPS as soon as possible, unless signature by the Contractor has not been expressly requested by UNOPS.

Signature of authorised signatory of the Contractor:

Date signed by the Contractor:

<b>SLA Details   एसएलए विवरण</b>		
<b>SERVICE STC</b> <b>SPECIAL TERMS AND CONDITIONS FOR CALIBRATION SERVICE</b>		
<b>1. Preamble</b> All Calibrationservice-relatedcontracts placed through GeM shall be governed by the following set of Terms and Conditions: I. General terms and conditions for Goods and Services. II. Service STC contained in this document III. BID / Reverse Auction specific ATC B. The above terms and conditions are in reverse order of precedence i.e. ATC shall supersede Service specific STC which shall supersede GTC, whenever there are any conflicting provisions. C. This document represents the Special Terms and Conditions ("STC") and the Service Level Agreement (SLA) governing the contract between the Buyer and Service provider. The purpose of this document is to outline the scope of work, stakeholders'obligations and terms and conditions of all services covered as mutually understood by the stakeholders.		
<b>2. Objectives and Goal</b> The objective of this document is to ensure that all the special terms and conditions are in place to ensure consistent delivery of services to the Buyer by the Service provider. The goal of this document is to: <ul style="list-style-type: none"> <li>● Provide clear reference to service ownership, accountability, roles and responsibilities of both parties</li> <li>● Present a clear, concise and measurable description of services offered to the Buyer</li> <li>● Establish terms and conditions for all the involved stakeholders, it also includes the actions to be taken in case of failure to comply with conditions specified</li> <li>● To ensure that both the parties understand the consequences in case of termination of services due to any of the stated reasons</li> </ul> This document will act as a reference document that both the parties have understood the above-mentioned terms and conditions and have agreed to comply by the same.		
<b>3. Stakeholders</b> The main stakeholders associated are: <ul style="list-style-type: none"> <li>● <b>Buyer:</b> The Buyer is responsible to provide clear instructions, approvals and timely payments for the services availed as per the contractual terms</li> <li>● <b>Service provider:</b> The Service provider is responsible to provide all the required services in timely manner. The Service provider may also include seller, supplier/bidder/contractor, any authorized agents, assignees, successors, and nominees as per the context and as described in the document</li> </ul> The responsibilities and obligations of the stakeholders have been outlined in this document. The document also encompasses payment terms and deduction in case of non-adherence to the defined terms and conditions.		
<b>4. Service Scope</b> This service maybe availed to carry outcalibration services for on-board/commissioned equipment/instrument related to plant & machinery or laboratory equipment as the case maybe.Maintenance activities of the instrument could also be covered in the service scope as the case maybe. <ul style="list-style-type: none"> <li>● The details of Instruments to be calibrated and/or maintained need to be specified by the Buyer in the bid document.</li> <li>● The calibration may be at Buyers' premises or Service provider as specified in the bid document.</li> </ul>		
<b>5.Terms and Conditions</b>		
<b>5.1 Buyer's Obligations</b> <ul style="list-style-type: none"> <li>● Any equipment data/drawings and necessary work permits to access the Buyers' premises are to be provided by Buyer.</li> <li>● The Engineer-In-Charge (EIC/EICs) or supervisor nominated by Buyer organization shall look after general supervision and direction of the work.</li> <li>● In case calibration is happening at Buyer's premises, Buyer should provide/facilitate safe and secure place for onsite calibration and testing equipment of the Service provider.</li> <li>● In the absence of any Standard/ Specification/Code of practice for detailed specifications covering any part of the work covered in this tender, the instructions/directions of the Engineer-in- Charge will be binding on the Service provider.</li> <li>● <b>Price Variation Clause:</b>            "It is advisable to include Price Variation Clause in the long term contracts to take care of the increase/decrease in prices of various ingredients which majorly affect the overall price of the service. Buyers are therefore advised to include the Price Variation Clause (PVC) in the bid document through ATC for long term contracts. The additional payment, if any, on account of PVC can be done offline till such time online functionality is developed on GeM."</li> </ul>		
<b>5.2 Service provider's Obligations</b> <ul style="list-style-type: none"> <li>● Standards used for calibration must be traceable to National /international standard. The Service providers must provide traceability certificates of instrument used for calibration / validation of listed instruments.</li> <li>● Calibration certificate and traceability certificate shall be issued after carrying out calibration, and it should be valid for the time decided by the Buyer.</li> <li>● Before commencement of the job, the test and/or calibration procedures may need to be submitted to EIC or competent authority for approval.</li> </ul>

## MINUTES OF MEETING

Date : 11<sup>th</sup> April'2023

Contract No: GEMC-511687775770517 generated on 29-Sep-2022 w.r.f. Bid No: GEM/2022/B/2258708

Representatives of

QUALITY SOLUTIONS (INDIA)

ESIC MODEL HOSPITAL

FARIDABAD

BASAI DARAPUR NEW DELHI, WEST DELHI

HARYANA-121004, INDIA

DELHI-110015, INDIA

1. Debasish Bose

1. Dineshkumar R

2. Ishaan Narang

2.

3. Shubham Sharma

3.

Calibration Start Date: 20<sup>th</sup> March'2023

Calibration Completion Date: 25<sup>th</sup> March'2023

- As per Calibration plan, QUALITY SOLUTIONS (INDIA) has calibrated All Instruments from 20<sup>th</sup> to 25<sup>th</sup> March'2023. After calibration of these instruments, all are found to be within the specification.
- All calibration certificates have been issued.
- Calibration Certificates have been issued in the name of :-  
**ESIC MODEL HOSPITAL**  
**BASAI DARAPUR NEW DELHI, WEST DELHI, DELHI-110015, INDIA**
- List of instruments calibrated with their details have been attached.
