Day of European Authors

Dear Commissioner Ivanova,

Thank you very much for your letter and for the initiatives to promote reading and literature in Europe.

In Estonia we value literature and have implemented several programmes and initiatives to promote reading through the Estonian Children's Literature Centre. This year, Estonia celebrated already for the second year the Day of Estonian Literature on January 30 as a national flag day.

We would be very much interested in participating in the tour of European writers, so additional information on that would be appreciated.

As for the conference on the European dimension of reading promotion, Ms Katrin Tõnisson, a reading promotion project manager from the Children's Literature Centre will participate.

With very best wishes,

Heidy Purga
Minister
