UN City Access

Registration and security check

Please note: The One Health Conference 2025 is an *invitation-only* event.

Access to the venue will be granted only to guests with a valid invitation. All attendees must bring a valid picture ID (passport or driver's license) and go through a security check at UN City similar to that of an airport security check.

We strongly recommend arriving early, as all participants must complete registration and security screening before entry. Please allow extra time due to the high number of attendees.

On November 5, check-in will be open from 07:30 to 08:50. Please note that access to the conference can be restricted here after during the morning program.

On November 6, you will be able to access the UN City with your conference badge from 8 am. Early arrival is recommended as the conference will commence at 9 am.

Badge

All participants will receive a personalised badge upon arrival to the UN City. Please ensure that you wear your badge at all times and in a manner that it is visible to others.

If you lose your badge, please report it immediately to the conference staff, or contact the reception desk at the UN City.

Interpretation

The working language during the Conference is English. No interpretation will be provided at the One Health Conference or during the evening dinner.

Conference Program

For the latest program, please visit the official One Health Conference website euonehealth2025.dk.

Conference Dinner

The official dinner of the One Health Conference on the evening of November 5 is for all participants and will be held at the UN City from 6 to 9 pm.

Delegation Size

Delegations comprise six participants from each EU member state with two civil servants from each the veterinary, human health, and environmental authorities.

Conference Live Streaming

The plenary program will be livestreamed on November 5 and 6 on the One Health Conference official website. The conference will be live streamed for viewing only. Please note that interactive participation, e.g., asking questions or joining discussions online, will not be available.

Access to streaming via the One Health Conference website: euonehealth2025.dk

Conference Website and Social Media

The One Health Conference website is the Conference's main communication channel, where program updates, speaker information, press contact, and streaming will be available.

During the One Health Conference, video and photographic material will be captured for use on social media platforms and in communications produced by the Danish Veterinary and Food Administration and the World Health Organization Regional Office for Europe.

If you do not wish to have your picture taken or be part of video material, please contact the One Health Secretariat at euonehealth2025@fvst.dk.
