**Cooperation and Support Plan for
TSI 2021-2027**

Dear Ms Gauer,

Please find attached the signed Cooperation and Support Plan for the Technical Support Instrument.

These selected projects coincide with the national prioritization, and we are looking forward to their implementation.

As a policy developer, the Ministry of Finance of Estonia is committed to identification and prioritization of national reform needs and supports the State Shared Service Centre, acting as Coordinating Authority, if so needed, to ensure that the activities foreseen under the Cooperation and Support Plan are carried out.

Yours sincerely,

Jürgen Ligi
Minister of Finance
