

**MINISTRY OF JUSTICE
OF UKRAINE**

Dear Mr Kuuse!

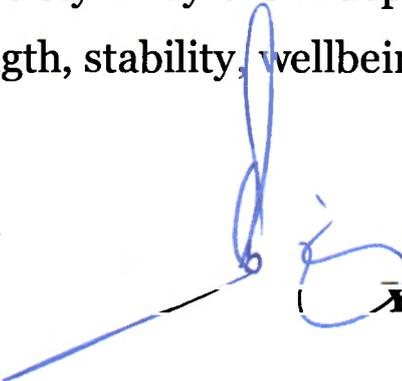

On behalf of the State Criminal-Executive Service of Ukraine and on my own behalf, I would like to extend my sincere greetings to you on the Independence Day of the Republic of Estonia!

This date personifies the invincibility of spirit, national unity and devotion to the ideals of freedom, democracy and sovereignty. The declaration of independence was a defining act of historical justice and the strategic choice of the Estonian people — a choice in favour of democracy, human rights and European values.

We deeply value the cooperation between our nations and institutions, which is rooted in comprehensive solidarity and a shared commitment toward the rule of law and European values. I would like to specifically thank you for your recent visit and support provided. I am confident that further deepening our partnership and exchange of expertise will continue to benefit our criminal-executive systems and strengthen the professional bonds between our nations.

On this solemn day, we wish you and all your colleagues good health, inspiration, prosperity and new achievements in responsible service for the benefit of the state and society. May the independence of Estonia continue to be a source of strength, stability, wellbeing and prosperity!

**Yours sincerely,
Deputy Minister of Justice
of Ukraine**
