Service Descriptions

Item Name	Description
Instant Feedback	Users reporting a threat can instantly receive feedback about what they should do with the email they deemed suspicious. Based on the content of the email, the Service Provider can show threat indicators, which are concrete reasons explaining why the email may be malicious.
Evolve	Automated Phishing Training trains the Users with approximately 12 phishing simulations per year. The phishing simulations are personalized, scheduled and sent automatically, and their content adapts based on the User's role, location and language.

All prices listed on this Order are exclusive of any applicable sales tax. Relevant taxes will be calculated and added to the final invoice based on the Customer's location.

Terms and Conditions

The terms and conditions of the service agreement between the Customer and the Service Provider shall apply to this Order. This Order and the service agreement are referred together as the "Agreement". In the event of any conflict between the provisions of this Order and the other terms of the Agreement, the provisions of this Order shall prevail.

Additional Terms and Conditions

The term of payment is Net 30 calendar days from receipt of an invoice.

After each Service Term, this Order shall renew automatically for additional Service Terms of one (1) year, unless either Party gives written notice of termination no less than three (3) months prior to the end of the then-current Service Term.

The Service Fees may be increased by mutual agreement between the Parties at the beginning of each Service Term.
