### *Invitation to Finnish Flag Team to Estonian Victory Day Parade*

Respected Brigadier General Antti Lehtisalo, *dear Antti,*

On the 23rd of June 2024, Estonia is celebrating the 105th anniversary of the victory in the battle of Võnnu. The Estonian military forces and their allies won the battle against German forces (Baltische Landeswehr) who sought to re-assert Baltic-German control over the region. The Estonian Defence League would be privileged to stand next to the flag of Latvia, among the flags of our cooperation partners, at the Victory Day parade.

I would like to extend the invitation to the Flag Team from Finland to participate in the Estonian Victory Day Parade on the 23rd of June 2024 in the town of Narva on the eastern border of Estonia.

The schedule for the Flag Team:

#### Saturday, 22 June

NLT 17.00 Arrival to Narva  
20:00 Main Rehearsal

#### Sunday, 23 June

09:30 Units start line up  
11:00 Parade

Accommodation and meals during the event will be provided for no cost for the participants. The flag team should bring the national flag and the equipment they wear during the march. The composition of the team should be according to your national regulations. We kindly ask to confirm your participation NLT 1st June, 2024.

For further coordination please contact Ms Anu Kütt (anu.kutt@kaitseliit.ee, phone +372 717 9052).

Sincerely Yours,

Ilmar Tamm  
Major General  
Commander of Estonian Defence League
